An Abundance of Styles in the Our Special Sale of Women's Coats Specially Priced at \$25

The most exceptional values in coats we have seen recently-such fine fabrics, beautiful styles and extensive variety.

Select from long ripple models, with kimono or set-in sleeves; the newest models, with yoke and sleeves cut in one piece and some with the inverted plaits finished with belt all around; the semi-belted front and fullbelted back is another particularly becoming style, and a loose-kimono coat that falls full from the shoulders is one of the latest fashions. Some are fitted in at the waist with full Russian ripple skirt, and others strictly military in their plainness, trim lines, and buttons and straps. Many fur trimmings carrying out the most popular vogue of the season; touches of velvet and buttons embcllish others. Chin Chin, Choker and convertible

collars provide neck closings to

suit every degree of fashionable taste. Pockets are on the majority of these coats. It is a complete representation of the most attractive fashions of the season.

Materials are corduroy, plush, zibeline, broadcloth. Tyrolean velour, whipcord, ripple cloth, cheviot, granite cloth, Hindoo lynx, serge and double-faced materials, in plain colors and the smart interwoven two-tone plaids. All sizes from 34 to 46.

Suits for Women At the Low Price of \$25

The bringing together of these fine suits at this time, to sell at the low price of \$25.00 is one of the best advantages we have ever placed before our patrons.

They are suits that would ordinarily sell at a much higher price.

You can doubtless find the suit you would like, as the styles are so varied -fur, braid, and button trimmed styles, some of which are rather elaborate and decidedly dressy, others are strictly tailored and suitable for sport and street wear.

Beautiful coats in jaunty short effects, medium lengths and the picturesque long Russian flaring models. The skirts are short and full-circular, flare, and cluster plaited styles.

An excellent selection of the modish fabrics, including broadcloth and others, in all the prevailing plain colors, plaids, and novelties.

In addition to the regular size suits, ranging from 34 to 44, there is a generous representation of "Stylish Stout" Suits from 401/2 to 521/2.
